TELEVISION

Television is the foundation of an effective media mix and is the best medium to create awareness. Whether utilizing a thirty-second or fifteen-second commercial, put the power and reach of television to work for your business. Once it’s on air, don’t second guess if it’s working. Connect the dots between your television campaign and traffic to your business’ website.

CONNECT
with customers through the iconic networks, “buzz-worthy” programs and live sporting events they love.

TARGET
your unique customers using lifestyle networks like HGTV, Cartoon Network, and Syfy.

PLACE
ads on Connected TV, Over the Top (OTT) and TV-like inventory to reach customers wherever they’re watching video content.

CONTENT PEOPLE CRAVE

Nothing else on TV reaches people quite like sports. With so many options to choose from, it’s easy to find an event that attracts your target customer – from millennial males to middle-aged moms. They’ll be watching sports programming live, so you know your ads will be seen, not skipped.

Cox Media is home to more than 9,000 live sports telecasts each year – nearly 90% of all live televised sporting events.¹

OPTIMIZE
Produce measurable results with relevant keyword terms, impactful ad copy and campaign optimization
Place your brand message in front of potential customers as they view updates from friends or while they catch up on the latest news stories. No matter what your marketing goals are, social media provides a variety of ways to reach and influence your audience.

**REACH** Influence people when they are sharing, engaging and commenting. Social media can reach a wide array of audiences at all stages of the customer journey from discovering a new brand to purchasing a product.

**CONNECT** Integrating social media into your media mix can amplify the performance of other campaigns in connecting you to potential customers. Feel confident and at ease with a team that will support and provide full transparency to help you achieve your marketing goals.
TARGET EVERY AGE GROUP

Multiple targeting options help you connect with the right customers on two of the most used social media platforms – Facebook and Instagram. Social media users are multi-generational so your message can reach any age group, regardless who your target audience is.
